Allotment of date trees in the Tiptur Taluk in lieu of that made in the Kunigal Taluk for the supply of toddy to the shops of the Civil and Military Station, Bangalore.

1 From the First Assistant to the Hon'ble the Resident in Mysore. No. 4206, dated the 29th July 1905.
Forwards copy of letter No. 1788 of the 25th July 1905, from the Collector of the Civil and Military Station, Bangalore, stating that the Station Contractor has complained of the insufficient supply of toddy and that the Excise Commissioner has agreed to give trees in the Tiptur Taluk on condition that the trees allotted in the Kunigal Taluk are given up, and requests that, if there be no objection a revised schedule of date trees may be furnished.

2 To the Excise Commissioner, No. Fl. 867, dated the 1st August 1905.
Forwards copies of the above for his report with a request that a revised schedule of date trees may, if necessary, be submitted.

3 From the Excise Commissioner, No. 122, dated the 30th August 1905.
States that Survey Nos. 1 and 2 containing 5,874 and 35 trees, respectively, of the Lakkihalli Amrut Mahal Kaval in the Tiptur Taluk, can be made available for the Civil and Military Station and that as these groves contain sufficiently large number of Government trees, there will be no necessity for the Civil and Military Station Contractor being allowed to take private trees which are made available for local shops.

4 To the Excise Commissioner, No. Fl. 1485, dated the 4th September 1905.
Enquires if the allotment of date trees now proposed to be made in the Tiptur Taluk is in lieu of that made in the Kunigal Taluk or in addition thereto, and whether the private trees alluded to in the above letter has reference to the additional private trees allowed to the Civil and Military Station shops in the Kunigal and Kankanhalli Taluks.

5 From the Excise Commissioner, No. 127, dated the 5th September 1905.
States that the allotment now proposed to be made in the Tiptur Taluk is in lieu of that made in the Kunigal Taluk and the private trees refer to those in the Tiptur Taluk.

6 To the First Assistant to the Hon'ble the Resident in Mysore, No. Pol. 185. dated the 8th September 1905.
Intimates that the Durbar are willing to assign Survey Nos. 1 and 2 of the Lakkihalli Amrut Mahal Kaval referred to for the supply of toddy to the Civil and Military Station shops in lieu of the allotment made in the Kunigal Taluk and that as the groves now assigned contain a sufficient number of Government trees, there will be no necessity for the contractors of the Station being allowed to take private trees in the Tiptur Taluk which are required for local shops.

7 From the First Assistant to the Hon'ble the Resident in Mysore, No. 5675, dated the 3rd October 1905.
Forwards for the consideration of the Durbar, copy of letter No. 2237, dated the 25th September 1905, from the Collector of the Civil and Military Station, Bangalore, complaining that the number of trees assigned for the Civil and Military Station in the Kunigal Taluk exceeds 13,000, while the number now assigned in Tiptur is only 5,909, and stating that if the Durbar could arrange to give the Station at least 10,000 trees in Tiptur, the Kunigal Taluk would be relinquished.

8 To the Excise Commissioner, No Fl. 2440, dated the 14th October 1905.
Forwards for an expression of his views, the Civil and Military Station Collector's letter of the 25th September 1905, referred to above.

9 From the Excise Commissioner, No. 269, dated the 23rd October 1905.
Promises the submission of a report after making the necessary local enquiry.

10 From the Excise Commissioner, No. 279, dated the 16th November 1905.
States that though the assignment made in the Kunigal Taluk contained a large number of trees, the Station Contractors were taking only a few of them, that as these contractors required, as intimated by Mr. Kearns in one of his D. O. communications about 3,000 trees in the Tiptur Taluk groves containing nearly 6,000 trees were assigned in it and that more trees could be given to the Station Contractors if they required in the Lakkihalli Kaval and Biddiamangudi Kaval of the Tiptur Taluk as between these two there are more than 10,000 trees.

11 To the First Assistant Resident, No. Pol. 416, dated the 28th November 1905.
Communicates the preceding.

To the Excise Commissioner, No. Fl. 3412, dated the 28th November 1905.

There is again a similar complaint & the Residency wants trees in the Tiptur Taluk on condition of their giving up the trees in the Kunigal Taluk. The allotment in the Tiptur Taluk now proposed by the Excise Comr. consists of only 5909 trees while the no. of trees the Abkari Contractors have been now enjoying is 13554. Letter No.1788.dated the 25th July 1905,from the Collector, Civil and Military Station.to the First Assistant to the Hon'ble the Resident in Mysore.

I have the honour to refer to the correspondence ending with your endorsement No. 2583,dated 26th May 1904,on the subject of a revision of the schedule of date trees issued by the Mysore Durbar for supplying toddy for the toddy shops in the Civil and Military Station.

2. The toddy contractor for the Station for the current year again brought to notice the difficulty of obtaining a sufficient supply of good toddy from the taluks of Kankanhalli and Kunigal in which trees have at present been allotted for the supply of toddy to the Station shops. The Excise Superintendent,Mr.Kearns,interviewed Mr. Purnaiya, the Excise Commissioner in Mysore and the latter has been good enough to promise to allow the Station contractor to tap trees in the Tiptur Taluk on condition of our giving up the Kunigal Taluk.

3. This proposal I wish to accept as Tiptur being connected by rail with Bangalore, is more suitable than Kunigal for the purposes of the Station supply.

4. In these circumstances, I have the honour to request that the Durbar may be moved to issue a revised schedule of the date trees allotted for the Station in Kankanhalli and Tiptur Taluks as early as possible,and to furnish this office with a copy of the same.

The number assigned for the station in the Kunigal taluk exceeds 13 thousand while the number now assigned in Tiptur is only 5909.

I would also point out that the Excise Commissioner promised to let our contractor tap either private or Government trees, whereas the present proposal is to allow only Government trees.

In these circumstances, if the Durbar could arrange to give us at least 10,000 trees in Tiptur, we would be willing to relinquish Kunigal.

O. letters to me, stated that his Contractor would require about 300 trees in all more or less"

2. The grove now assigned in Tiptur contains

17 contains nearly 6000 trees and as these trees are reported to be good, the Civil and Military Station Contractor may have no difficulty, in procuring enough of toddy. He has, further, the privilege of taking up private trees in Kankan-halli Taluk.

3. It is true that I told the Rev. Kearns that I could help his contractor by permitting him to take up private or public trees in Tiptur. But I have found that as there has been enough of public trees there is no necessity for him to take up private trees which are made available for local shops

4 Should the assignment now made be found in the course of time to be insufficient, I could gladly arrange to supplement it. But I notice it stated in the letter of the First Assistant Resident that the Civil and Military Station authorities would be willing to relinquish Kunigal if it could be arranged to give them ten thousand trees in Tiptur. If, therefore, the Residency is decided on this point I could arrange accordingly and

can

can set apart both the Lakkihalli Kaval and Bidder Ammani Kaval as between these there are more than ten thousand trees. I have personally seen both these vanams and I am of opinion that these should answer very well. They are not now seen in their usual verdure and richness of foliage as on account of the severe draught that this tract passed through the trees have been defoliated to find fodder for starving cattle which would not have otherwise survived the bad season.

Sir

Date of issue 28/11/05

Signed by Mr. B. Ramaswamy Iyengar.

With reference to your letter no. 5675 of the 3rd October 1905, regarding the allotment of Sale trees for the supply of coir to the Ex. Station of Bangalore I am directed to state that though the assignment made in the Kunigal Taluk contains a large number of Sale trees the Station Contractor seem to have been taking up coir ...

few of them. Mr Keamo
seems also to have
informed the Govt
Comr in Mysore in
one of his D.O. letters that
his Contractors would
require a load 3000
trees, & little more or
less. The Dowlah
however proposed
to assign 4000
trees in the Tiptur Taluk
as it was perforld
that these trees were
in a healthy Condition
& that the Govt
Contractors would
have no difficulty
in procuring enough
of Coir from these
& more trees in the
Tiptur Taluk are
necessarily required
the Dowlah will be
to grant no further
Contractors to any more than
4000 trees

in order to avoid further
complaints from the Govt
Contractors
